PRACTICAL HINTS.

W. Johnson.

Considerably disfigured but still in the ring. Snowed under but managthe gass of last week, but are beginning to breathe easy again as the mist clears away, find ourself with some difficulty able to speak in a kind of wheezy sort of style, but hope to speak loud enough to make ourselves heard. Well we are here. That is, we think we are, but we may be mistaken, as we are a little of Mishler's Herb Bitters; Mr. Walter combining the test known remedies for intoxicated yet, acts little like laughing gass, makes you feel kind of limber Kieffer, of the Daily New Era, re- bronehial troubles with pure candy in and flighty, any how we are pretty certain we are here, and here with the largest and most elegant line of Spring Goods ever shown in this market. We don't say we are the only concern that bought any goods, that bought them low ers of which he had heard so much. He with very pleasant to taste, yet it down, we don't say that we can sell them cheaper than our competitors can buy writes as follows: "Calling on James troches manufactured and sold as pat them, we don't say that we are the biggest concern in the state, or that we sell H. Marshall, Esq., at present and for ent medicines. Mr. Maynard has been Hint No. 1.

Our goods are for sale. This everybody knows who has taken the pains to price them. Our low figures show that we mean to sell. Still we do not blame others for declaring a thing that would not have been presumed without

Watch the friend, weigh the friend that makes such loud professions. Beare of the business man who claims to do too much, for he is relying more on what he says, more on his tongue than on the quality of his goods and the lowness of his prices. A trade built up on actual bargains to our customers is by shrewd divices, by advertising dodges, and by "slick tongued-ness." quality and prices of our goods are our silent salesman-[Hint No. 3.

the big dog that does the most barking is often the I ast account. It is not always the merchant that makes the biggest noise that sells the cheapest. usually the bigger the noise the higher the profits, but the man that makes reasonable, rational, possible, sensible promises is the man whose promises are edeemed, is the man who in the long run gives you the best bargains and

because they say in a very big way that they will sell for less money than any body else, but you look around a litte and you may come to the conclusion that there is at least one or two other fellows in the world besides this one and that its machinery was probably in fair running order before he began to engineer .- | Hint No. 6.

Remember too, and remember "three" because it is worth remembering, that the N. Y. Store is the only One Price House in North Missouri. Is it not worth something to know from the "jump" that the price given you is the very lowest goods of equal value can be sold in any market? Is it not worth something to get without any childrsh parlying the very lowest price on every article? To have that price guaranteed, and to feel that if there is any inside price anywhere you are getting the advantage of it? This is what we claim to be able to do and this we think we are doing. At least all we ask of those who have not yet made this discovery is to give us a show, and we will try and prove it to their satisfaction. [Hint No 7.

We will be glad to have you call real soon. No extra charge for showing

more goods than all our competitors combined, for we do not wish to lay ourselves liable to the charge of insanity. This charge we will have to meet soon enough anyway. But we do think we have a few goods, that we have been city, I asked, "What do you know years and has testimonials from physienough anyway. But we do think we have a few goods, that we have been selling a few, and are now selling a few and are foolish enough to think that we will continue to sell a few even though we do feel a little disfigured.—

Know, was the answer, that it is the efficacy as a medicine. It is splendid

some such public atterance to that effect. - [Hint No. 2.

better, is worth more, will live longer than one built up by great professions, as quick as a flash came the answer, I Macon City, but new of Philadelphia Emerson said "Trust men and they will trust you' we say trust men and they will bust you, so bring your cash with you. - [Hint No. 4. Remember the small pup often does more barking than the big dog, and

saves you the most money.—[Hint No. 5.

Now don't you go and buy your goods of a man simply because he gets out a big add, and tries to make you think that this world would stop short never to go again if he should step out of it. I say don't buy your goods of a concern
